IBM Cloud Account:

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo and a search bar. Below this, a 'Dashboard title' field is visible. The main content area is divided into several sections:

- For you:** A row of eight cards, each representing a different service or tutorial. These include 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Get Started with the CLI', 'Build a Virtual Private Cloud (VPC)', 'Get started with Watson Discovery', 'Build a virtual machine', and 'App Connect'.
- News:** A section on the left side of the dashboard displaying recent news items, such as 'SLSA Support in IBM Cloud Continuous Delivery' and 'WatsonSphere Application Server Support Restatement'.
- Recent support cases:** A section in the middle-right area showing a summary of support cases.
- Planned maintenance:** A section on the right side of the dashboard showing scheduled maintenance events.
- IBM Cloud status:** A section on the far right showing the global status of IBM Cloud services, including a world map and a 'No issues' indicator.
- User access:** A section at the bottom right allowing users to enter email addresses to jump directly into the invite user setup.

The dashboard also features a sidebar on the left with various navigation icons and a top bar with account information, including the user's name 'DARSHANA M's Account'.
